

New Schools for NORTH CAROLINA

The schools listed are complete facilities on either new or existing sites. Dates indicate School Planning review; opening dates may be from one to three years.

October 2010

**Public Schools of North Carolina
State Board of Education
Department of Public Instruction
School Planning, Division of School Support, Financial and Business Services**

In compliance with federal law, including the provisions of Title IX of the Education Amendments of 1972, N C Public Schools administers all state-operated educational programs, employment activities and admissions without discrimination because of race, religion, national or ethnic origin, color, age, military service, disability, or gender, except where exemption is appropriate and allowed by law.
